

Highlights of Mining Mazma 2016

PREAMBLE

With a view to attract investment and technology in the mining sector besides tapping the country's rich mineral potentials, FIMI with the support of Ministry of Mines, Government of India has been organising the annual international event "Mining, Exploration, Convention & Trade Show".

As part of this Annual Event Series, Mining Mazma 2016 was organised from 15th–17th September, 2016 at Bengaluru International Exhibition Centre (BIEC), Bangalore (India) in the backdrop of legislative reforms brought by the new government in the recent past.

INAUGURATION

This international mega event was inaugurated by Shri. Vinay R. Kulkarni, Hon'ble Minister for Mines and Geology, Government of India in the august presence of Secretary (Mines) and Secretary (Coal), Government of India, senior officials from State and Central Government besides dignitaries across the globe.

CONVENTION AND B-2-B MEETINGS

During the Convention 27 Technical and Scientific Papers were presented covering policy issues, investors perspective, exploration strategies and role of technology for efficient and safe mining operations. The State Governments of Gujarat, Madhya Pradesh, Chhattisgarh, Rajasthan, Odisha, Maharashtra and Karnataka highlighted the investment opportunities in mineral exploration and mining in their respective states. Senior officials from South Africa, Peru, Mozambique, UK etc. also participated in the event.

The Convention provided a platform for investors, policy makers, mining companies and technologists both from India and abroad for exchange of ideas and sharing the developments in the sector. The Convention was attended by 400 delegates and 90 exhibitors across the globe. Trade show attracted more than 3000 footfalls. Number of B-2-B meetings were held in the area of exploration, mining machineries, R&D, and consulting services and which resulted in significant generation of business for the exhibitors.

Trade Show (Exhibitors profile)

- Locomotives
- Forklift Trucks • Tunnel boring machines
- Hydraulic Excavators • Walking drag Lines • Cranes
- Signalling Equipment • Other mining or allied equipments
- Wagon Tipplers • High speed mono cable ropeways
- Air Transportation Services • Drilling Equipment & Services
- Associations • Consulting Services • Governments
- Exploration/Mining Companies • Geological Surveys
- Exploration/Mining Equipment & Supplies
- Geophysical Services & Equipment • Satellite Communications

- Laboratories/Laboratory Suppliers & Analytical Services
- Law Firms • Publications • Remote Sensing/Mapping
- Research Organizations • Software Companies
- Universities/Colleges • Internet Services

- Minerals: Bauxite, Copper, Diamond, Iron/Manganese/ Chrome Ore, Gold, Silver, PGM, Lead/Zinc and Coal
- Mining Machinery Manufacturers • Industrial Hoses
- Aerial Ropeways, Air Compressors, Buckets • Doll Bits
- Conveyor Belting & Components • Hand Tools
- Cranes, Preparation • Train Tipplers

Networking dinner

A welcome networking dinner was hosted on 14 September, 2014 which was attended by more than 400 participants representing of senior officials of Government, top executives from industries and trades, exhibitors besides officials of State Governments and participants from abroad.

Promotion and Advertising

Mining Mazma 2016 was organized in a very professional manner with an objective to attract professionals and visitors in Convention and Trade Show through well framed multi-media campaign in India as well as abroad. On the eve of this event, a Press Conference was held on 14th September, 2016 where the objective of the Convention as well as the issues relating to the mining and mineral sector were highlighted.
