

Conference on
INDIAN INDUSTRIAL MINERALS

**Taj Aravali Resort & Spa, Udaipur
18-19 February, 2019**

FEDERATION OF INDIAN MINERAL INDUSTRIES

FIMI House, B-311, Okhla Industrial Area, Phase-I, New Delhi-110020 (India)

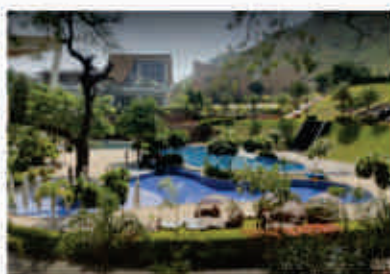

Tel. : 91-11-26814596; Fax : 91-11-26814593/26814594

E-mail : fimi@fedmin.com; Website: www.fedmin.com

Location

The Conference will be held in Udaipur, a beautiful city, set amidst the Aravalli Ranges of Rajasthan, India. Udaipur is a royal city that had been the capital of Mewar rulers for centuries. The romantic city of Udaipur has a legend behind its origin and it goes like this. Once, Maharana Udai Singh happened to meet a holy sage when he was on his hunting expedition in the Aravalli Hills. The Sage counseled the King to establish a kingdom in the fertile valley that would be well-protected by the elevated Aravalli Hills. Subsequently, Maharana Udai Singh laid the foundation stone of Udaipur in 1557 A.D.

Udaipur continued to be the capital of Mewar, till it became the princely state of British India in 1818. When India got independent in 1947, the Maharaja of Udaipur granted the

place to the Government of India. At that time, Mewar was merged into the state of Rajasthan. Udaipur also called 'the city of lakes'. The elevated hills and the beautiful lakes make a picture-perfect backdrop to the Udaipur city. Udaipur is regarded as one of the most romantic cities of the World and subsequently, also known as the 'Venice of East'. In the present date, Udaipur enjoys a favorable position on the maps of Rajasthan. Udaipur is known for its picturesque surroundings and its royal past. Various ancient monuments, massive palaces, architectural temples and beautiful lakes fascinate people to visit the ancient land of the Royalty.

The venue of the Conference will be Taj Aravali Resort & Spa, Udaipur which is ideally located to give visitors a unique experience.

Background

Every segment of society uses mineral resources every day. The industrial minerals are the essential raw materials which find use in range of industrial and domestic products used in our everyday life. May be the simple porcelain products or high tech ceramics used in the spacecrafts, require use of industrial minerals. The industrial minerals are not only important because of their uses but also for generating employment.

The trade in industrial minerals sector is dictated by the needs of the population and performance of economy. The Indian industrial minerals has witnessed rapid growth. Annual value of production of non-metallic minerals increased from Rs. 6497 crores in 2014-15 to Rs. 7702 crores in 2017-18. The major contributors are Limestone, phosphorite / rock phosphate, kaolin, dolomite etc. India is second largest producer of talc / steatite / pyrophyllite and barytes in the world.

In order that this sector continues to grow, it must use the state-of-the-art technologies to increase productivity and be competitive. Further, market strategies are required to be formulated taking into account the constraints and compulsions of domestic and global markets. Against this background and to discuss the policy issues, the Conference on Indian Industrial Minerals is being organized in Udaipur.

Conference Themes

- **MINERAL POLICY VIS-À-VIS INDIAN INDUSTRIAL MINERALS (Mining Act and Legal Issues) - SCENARIO AFTER 31ST MARCH, 2020**
- **CHANGING SUPPLY AND DEMAND SCENARIO**
- **INDIAN INDUSTRIAL MINERALS – ECONOMIC MEASURES AND FINANCIAL ISSUES**
- **TECHNOLOGICAL UP-GRADATION (mining, exploration and processing issues)**
- **ENVIRONMENTAL AND SUSTAINABLE MINING DEVELOPMENT**
- **AVAILABILITY OF FLUXES FOR STEEL, FERRO ALLOY AND REFRACTORY MAKING – ISSUES AND PROSPECTS**

Who Should Attend

Experts from leading national and international mining companies, mineral trading companies, policy makers in Government, technologists, scientist, environmental and safety experts and mining equipment manufacturers.

Participation/Registration

To register please fill up the attached participation/ registration form and return it together with the applicable payment.
